

## **Track-Out Band:**

Students can come for all or part of the school day during their trackout. I would LOVE to see all of my tracked out students EVERY day. One of the downsides to year round school is not having the ENTIRE team together throughout the year. At this point in the year, beginners will probably only want to come to 6th grade band classes, although they are welcome throughout the day, but it might be hard to keep up with the other grades with our limited number of notes!

Students should enter through the front office, sign in as a guest, and get an ID sticker. Students MUST go straight to the band room and not wander in any other hallways. I have received special permission for band students to be on campus during trackouts. Wandering in the hallways will be considered trespassing. If students stay through lunch time, they will need to bring their own lunch since the cafeteria is closed to tracked out students. They will be able to eat in the band room.

I hope that as many students as possible will be able to come have fun playing, helping younger students, and being in band during their track out times! Please feel free to email or call for any clarification, questions or concerns.

Sincerely,

Mr. Kohring    [tkohring@wcpss.net](mailto:tkohring@wcpss.net)    919-570-2287

Band class times are:

7:45am – students are welcome to come to the band room
